

# HYALURONEX<sup>®</sup>

PREMIUM JOINT SUPPORT

# HYALURONEX<sup>®</sup>

## PREMIUM JOINT SUPPORT

Hyaluronex<sup>®</sup> is a premium equine joint supplement that relieves stiffness, enhances flexibility, and promotes healthy cartilage and joint function by delivering the most highly researched and proven hyaluronan (HA) available - MHB3<sup>®</sup> Hyaluronan. Liquid MHB3 provides superior bioavailability and efficacy over dry and pelleted forms of HA.

Hyaluronex offers 240 mgs of pure MHB3 Hyaluronan per ounce and is tailored for horses at all activity levels. Hyaluronex bolsters healthy articulation, maintains joint health, alleviates performance-related discomfort, and maximizes performance.

Hyaluronex provides daily support for joint health and complies with equine anti-doping regulations. Our patented formulation is researched and recommended by leading veterinarians. Hyaluronex is made in Lexington, Kentucky, and contains fully traceable, non-Chinese ingredients.

\*Product holds seven U.S. Patents.
