

BAXYL[®]+

The best just
got better with
Baxyl+CBD

Baxyl[®]+CBD is a fast-acting, natural hyaluronan product made to support, promote and enhance bone and joint

Baxyl+CBD is formulated with the same patented, proven MHB3[®] Hyaluronan, but now offers the added benefit of CBD to enhance and speed the effects.

Baxyl+CBD offers a completely hydrated, oral, liquid formula for quick absorption and fast results!

- Contains full spectrum, THC-free CBD extract
- Gluten-free, non-GMO, soy free, sugar free, and vegan.
- Odorless, tasteless, and free of artificial colors and flavors.
